All Pilates Classes are done on Pilates Reformer Machines

Restore Your Core: Retrain core and pelvic floor muscles to be functional and supportive. Mat class

Reformer Rehab: This is a specialty Reformer class specifically for clients suffering from lower back problems or pelvic floor issues

Yoga Flow: Vinyasa style yoga where movements are synchronised with the breath. Called flow because of the smooth way the poses run together

Yin Yoga: A slow paced style of yoga with postures that are held for a comparatively long period of time - 5 minutes or longer per pose is typical

Yin/Yang: The best of both worlds. A combination of both our Yoga Flow and Yin all in one class
